Product Description: Whole Eggs, medium

Code #01170

6/24 (144 eggs) per case

Code #01120

12/12 (144 eggs) per case

Preparation Instructions: Open bag when needed, preferably half an hour before consumption. Rinse eggs under cold water before using.

SHELF LIFE:

Unopened Bag: 30 Days from the date of production, refrigerated. Check the expiry date indicated on the packaging.

Opened Bag: 5 days, refrigerated.

Storage: Store product at 2°C (34°F), otherwise shelf life will be REDUCED. Once the bag is opened, store unused eggs in an airtight container, cover with cold water and return to cooler. Please change the water in the container daily. Use clean utensils, for eggs only.
